SUMMARY

Motivated Computer Science undergraduate with strong analytical skills and hands-on experience in data analysis. Passionate about understanding user needs, solving business problems, and building impactful solutions. Seeking internship opportunities in Product, Business Analysis, or Strategy to leverage data-driven execution and cross-functional collaboration.

EDUCATION

Vellore Institute of Technology, Bhopal – *B.Tech in Computer Science and Engineering* **CGPA: 8.36** (2023 – 2027)

PROFESSIONAL EXPERIENCE

ManaraLabs Pvt. Ltd.

Data Analytics Intern

Indore, India

May 2026 – Present

- Collaborated with multi-disciplinary stakeholders to perform market and merchant competitor research, mapping trends to optimize product discoverability.
- Authored data-backed recommendations and comprehensive user workflows, tracking key initiatives cross-functionally across engineering and design teams.

XALT Analytics Pvt. Ltd.

Data Science Intern

Indore, India

Apr 2025 – Jul 2025

- Conducted exhaustive data analysis across 500+ datasets to create interactive dashboards, uncovering patterns that generated actionable business reports.
- Formulated product discovery documentation and defined core metrics to assist testing, launch support, and hypothesis validation strategies.

PROJECTS

DPDP Compliance Age-Shield Prototype

[Live Link](#)

Product Compliance Strategy, Digital Identity Verification Framework, User Flow Optimization

- Conceptualized and designed an automated compliance framework utilizing mocked DigiLocker API structures to guarantee end-to-end statutory alignment with the DPDP Act, handling identity check tracking.
- Translated regulatory compliance constraints into product discovery assets (PRDs), establishing transaction-level validation criteria that achieved a 98.4% accurate check rate blocking underage demographics from specialized segments (e.g., Blinkit Paan Corner).
- Map out 2,500+ simulated user journey paths and collected rigorous user feedback to validate interface patterns, driving a 14% reduction in verification drop-off metrics through strategic checkout friction reduction.

ACHIEVEMENTS & POSITIONS OF RESPONSIBILITY

- **Active Member, National Service Scheme (NSS)** – Volunteered for community outreach initiatives and organized the institutional Mega Plantation Drive.
- **Event Team Lead** – NULL Cyber Security Club & Meraki Club VIT Bhopal; managed cross-functional operations, team scheduling, and fest logistics.
- **Master of Ceremonies & Anchor** – Headed live audience anchoring duties for Advitya Techno-Cultural Fest, Kavyanjali, and Cyber Heist fests.
- **Volunteering Participant** – Collaborated across creative teams for the official institutional Ad Shoot at VIT Bhopal.
- **Secretary General & Guest of Honour** – Choithram MUN (CNMUN); directed full operational coordination and invited as Guest of Honour in 2023.

KEY STRENGTHS

- Analytical Problem Solving
- Data-Driven Decision Making
- User-Centric Thinking
- Cross-functional Collaboration
- Process Improvement
- Communication & Presentation
- Structured Thinking
- Quick Learner

CERTIFICATIONS

- **Become a Product Manager** – Udemy *Credential ID: UC-30386682-57ea-4ea5-8852-c14d77aec640*
- **Marketing Analytics (Elite Status, Score: 85%)** – IIT Kharagpur / NPTEL *Roll No: NPTEL26MG33S956400574*
